Commissioners Adopt Resolution Permitting Per Capita Road Tax

On November 9, 1925, at the
regular term of the Court of
County Commissioners, held at
Enterprise, the Court adopted
a resolution which permits the
payment of a per capita road
tax during the year of 1926 in
lieu of ten days work.

This resolution provides that
persons liable to road duty in
the County may pay a per capi-
ta road tax in lieu of the ten
days work required by law and
that this road tax or compensa-
tion is fixed at \$10 after Janu-
ary 1, 1926. All persons
who pay by January 15th may
pay only \$7.50. After Jan. 15,
the amount required to be paid
will be \$10. No road tax shall
be paid after Feb. 1, 1926. All
who fail to pay the road tax
by or on Feb. 1, 1926, will be
required to work the full ten
days required by the law, and
the Court has provided in the
resolution that a County Super-
visor will superintend the
working of such defaulters.

The resolution provides that
all the road taxes paid in any
beat and road precinct will be
expended and used in the beat
where paid, for example, all
the per capita road tax paid in
Beat 1 will be used only in
Beat 1.

The per capita road tax will
be paid to Hon. S. R. Morgan,
County Treasurer, and he will
keep separate accounts with
each beat where paid. Three
apportioners will be appointed
for each beat whose duty it
will be to make and file dupli-
cate lists of all persons liable
to road duty, one list to be filed
with the Treasurer and one
with the Probate Judge, not
later than January 15th. These
lists may be revised from time
to time and new names added
as persons move into the beat
and as persons become liable to
do road work. Persons becom-
ing liable for road work in any
beat after January 15, 1926,
will have fifteen days to pay
the road tax, or the proportion
part for the time liable, and per-
son becoming liable to do road
work after January 15, 1926,
and fail to pay the road tax
within fifteen days after they
become liable will have to pay
\$10, or at the rate for the time
so liable. But if such persons
fail to pay within thirty days
after they become liable, they
will not be permitted to pay,
but will have to work the roads.

J. A. Carnley,
Judge of Probate.

THE ELBA CLIPPER

ELBA, ALABAMA, THURSDAY, NOVEMBER 19TH 1925.

NEW REAL ESTATE FIRM OPENS FOR BUSINESS IN ELBA.

In this issue of The Clipper
will be found an adv from
Brunson & Co., dealers in real
estate, in which they are asking
for the listing of farms for
sale. This is a new business
which has just been launched,
and we are glad to know that
Elba is to have a business of
this kind. We need more new
blood in our county. We need
good farmers from other sec-
tions of the state as they al-
ways bring with them some
mighty good farming methods.

There are thousands of acres
of undeveloped lands around
Elba, all of which should be
under cultivation at the pres-
ent time. The Clipper believes
that in and around Elba is to be
found some of the best farm
lands in the state. We have a
great variety of soils near our
town, all of which are good for
some kind of farming. The
red lands on the South and
West are good for cotton, the
sandy lands up and down the
streams are excellent for corn
beans and peanuts, and the
hill lands to the North are good
for live stock and truck farm-
ing.

Elba should be the greatest
hog market in this section.
Elba should be a great sweet
potato market. Elba should
be a live syrup market, and
Elba should sell and ship more
truck produce than any other
town in Southeast Alabama.

We can grow anything, if we
only had farmers who are
trained in growing and mar-
keting these various crops.

A good real estate business
is an asset to any community
and our people should encour-
age this undertaking. We
should lend a hand in trying
to interest newcomers. We
should be glad to know that this
firm proposes to protect strangers
against exorbitant prices for
lands. They propose to sell
only such farms as are listed at
a fair market value.

Will Brunson is to do the
advertising and office work, while
Ben Brunson is to put in all his
time on the outside, listing and
showing farms. They certainly
should be a great help to the
man who wants to sell, as well
as to the one who wants to buy.

We understand they are
already doing business and
have made some nice sales.

Coffee County Poor Houses

"The Poor You Have With You Always."

Coffee County's care of the

OFFICER LIFTS CAR TO BREATHE.

Goodwater, Ala., Nov. 14.—"It is better to have lifted and lived than never to have lifted at all" says Deputy Sheriff Mack Waits, who was caught under his car when it overturned into Crooked creek near here Wednesday night.

The deputy was forced to lift the car every few minutes to allow air to get under the overturned body, so that he could breathe. But even his most strenuous efforts, aided those of state officer Manning Guy, who was thrown clear of the car at the time it crashed into the creek, failed to lift the body far enough to allow him to escape.

A heroic battle was fought through the night by the officers and it was only when help arrived, that they were able to turn the car in the swift stream and liberate the imprisoned officer. Other than a few bruises and a bad cold he was uninjured.

DEATH OF MRS. ROSETTE MOORE.

Mrs. Rosette Moore, wife of Mr. Toliver Moore gently passed from earth to heaven on October 26th, 1925. She leaves a husband and one son, her mother, one sister and one brother and a number of friends to mourn her loss. She was the daughter of Mrs. E. M. Wilkerson, and was born June 7, 1909, and was married to Mr. Toliver Moore December 27, 1925.

She joined the church at Union Hill in 1918 and lived a Christian life seven years. Mrs. Moore was a good woman and loved by all who knew her. On Monday morning before she died she asked for Rev. Tomine to come to preach for her, and would say "I want to go home" and "I want to go to that home where all is bright and there comes no night." She was taken sick at her home at Elba and was brought to her father-in-law's home, 9 miles South of Elba in the Basin community. She stayed there only 10 days and God called her home. She was laid to rest in the New Home cemetery, funeral services being conducted by Rev. Tomine.

We want to say to the relatives to cheer up, for the Lord giveth and the Lord taketh away, blessed be the name of the Lord. Weep not dear ones, for she is safely resting in the arms of Jesus, and we have consolation that we can meet her in the sweet bye and bye. Wife is gone but not forgotten. She is sleeping that sweet sleep, and all her troubles are now over; she is sweetly resting in the arms of Jesus. How sad it was to give her up; 'twas so hard for us to look at her dead face for the last time, she looked so pretty and the flowers for her were so beautiful. Written by a cousin, B. M. M.

IN MEMORY OF J. NAT FOWLER.

In the early morning hours of the 7th day of November, Mr. J. Nat Fowler passed to the great beyond. He had been a sufferer for nearly all the year, with something that baffled the skill of the best learned physicians.

Mr. Fowler was born, raised a manhood and resided all his life in Beat 10, near Victoria. Forty-one years ago he married Miss Katie Ruth Davis; she still survives him. They raised a large family consisting of 22 boys and 7 girls, all of whom are married and have families.

Mr. Fowler was a good citizen and honest in his dealings with mankind. He never held an office but was always active in politics, being a democrat in principle, taking part in every reform movement when inaugurated for the good of the county. Of course he was not infallible; he had ways peculiar to himself which caused some people to differ with him yet he had no enemies as some people have. He was a Christian man, having in early life identified himself with the Primitive Baptist church and died in that faith and belief, but was not connected with the church at death, owing to some rule of church decorum. He was sixty-seven years of age and was always a hale and hearty person; never knew any sickness until a few months past, when he was stricken and continuously grew worse until death relieved him of his suffering. He was laid to rest in Bethlehem cemetery at Victoria, the funeral services being conducted by Elder Pinckard, a Primitive Baptist.

May the Lord of Hosts comfort the bereaved relatives and prepare the mfor the resurrection day.

Uneasy Tight Feeling
"I used Theodor's Black Draught for constipation," said Mrs. C. E. Buntin of R. F. D. 5, Starkville, Miss. "I would feel dull, stupid, and have severe headaches, even feverish. I had an uneasy tight feeling in my stomach. I read quite a bit about

BLACK-DRAUGHT Liver Medicine

I began using it and soon my bowels acted regularly and I was greatly relieved. I used it every once in a while for about 18 years.

"About two years ago I found I was having indigestion, a light smothering in my chest, then severe pain, especially after eating sweets. I commenced taking just a pinch of Black-Draught after meals, and by doing this I could eat anything. It gave me a healthy appetite and brought me back to my children for colds and headaches. I can certainly recommend it."

Black-Draught is used, with satisfaction, by millions. Get Theodor's.

OBITUARY.

On November 1, 1925, the death angel visited the home of Mrs. and Mrs. J. A. Covington and claimed for its victim the loving wife.

Mrs. Covington was born in Pike county near Spring Hill on January 25, 1874, when 4 years of age her parents Mr. and Mrs. W. H. Whitehead moved to Coffee county near Victoria where she grew to womanhood.

She was married to J. A. Covington on April 10, 1895, and they lived happily together for 30 years. To them were born three children, two boys and one girl; all of whom are living.

She had made her home in Elba for the last sixteen years. She numbered her friends by her acquaintances. To know her was to love her. Her health had been bad for many years though she was taken seriously ill with pneumonia on Friday October 23. Every aid within human power was extended to her but she was unable to gain. The Lord called her home to rest Sunday Nov. 1, at 2:40 p. m.

She was a life long member of the Methodist church, Sunday school and Missionary society. She was a very earnest and devoted christian woman held in high esteem and great respect by all who knew her. Mrs. Covington is survived by her loving husband, J. A. Covington, two sons, J. D. Covington, of Bay Minette, Ala., and Colie Covington of Elba, and one daughter, Mrs. Gussie M. Marsh of Elba, and three small grand children, one brother, C. M. Whitehead of Victoria and her father, W. H. Whitehead of Victoria who is in his 92nd year.

Funeral services were conducted at the home at 10 a. m. Monday Nov. 2nd by Rev. F. M. Lowrey and the body was laid to rest in the cemetery at Victoria at 2 p. m. under a bed of beautiful flowers.

Mother is gone but not forgotten. She is sleeping that sweet sleep of the blest and all her suffering and troubles are over. Mother is waiting for us on that bright and golden shore. How sad it was to give her up but God knoweth best. God giveth and God taketh away. Blessed be the name of the Lord. A voice we loved is stilled. A place is vacant in our home which never can be filled.

Farewell mother farewell. We hope to meet you some sweet day on that golden shore where we will part no more.

Written by her daughter-in-law, Mrs. J. D. Covington.

Putting Electricity to Work for Alabama

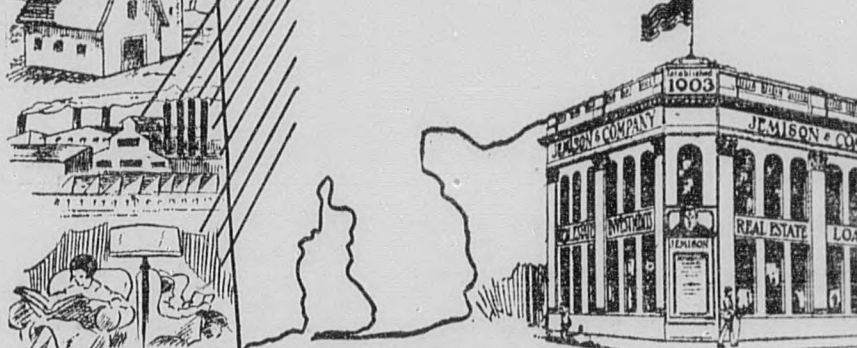

WISE old Ben Franklin said: "Money makes money and the money money makes, makes more money." That's equally true of a state's resources. Coal, iron ore, limestone and a rich farming territory are worth nothing as an undeveloped storehouse of energy. But, put to work, they create wealth. Low cost hydro-electric and steam power has been a most effective contribution to the industrial progress of Alabama. Hydro-power has lowered production costs in many industries and brought new industries to the state. It has increased Alabama's wealth.

Alabama Power Company deserves the congratulations of all thinking citizens for the role it has played in Alabama's progress.

The interest of Jemison & Company in that progress is twofold. First, the welfare of Jemison & Company is inseparably identified with that of Alabama. Second, Jemison & Company has a direct pecuniary interest because it lends large sums on mortgages in Alabama towns of more than 10,000 population and on improved Alabama farms.

As I hardly ever see any news in The Clipper from Brantley, I decided I'd drop a few words, so here goes.

Oh, yes! Brantley is coming out. We have electric lights now, as the current came on Saturday a. m. from the dam. The city has been practically in darkness for a long time. We hope we will now have better lights and better business.

The new High School building is most completed, and listen, we're planning to have a barbecue on Thanksgiving and are expecting 2,000 people to celebrate the building of the High School. The fare to the dinner will be \$1.00 each. The proceeds will go to the building fund of course.

DEATH OF MAY ENGLISH.

On Lord's Day, early in the morning of November 14th, death came into the home of Brother and Sister J. J. English and took from them their daughter, May. No one that I have ever known, loved the Church of Christ more than she. Her happiest thoughts were about things eternal.

I shall always remember the first years work here, when the Church was being organized. Others might be discouraged and think it no use, but she was always happy in the thoughts of having a house of worship. How glad are we that for nearly three years she had the pleasure of attending nearly every service. Many are the times when she was sick and unable really to be there, but that strong desire to worship God, caused her to come.

May was paralyzed when a small girl and for the last few years seemed to grow worse. She was taken seriously one week before death came. She made a brave fight to recover but all in vain. The dear mother and father found the loss is too great to be endured. The Church has lost one of her most devoted members.

No human thoughts can comfort a broken heart. God's word alone holds out the sweet assurance of life eternal to those who love and serve Him. Truly it can be said of her: She fought a good fight, she kept the faith and finished her course faithfully, therefore a crown of life shall be hers at the last day. Our loss is truly her gain.

Funeral services were conducted in the Church house where she always loved so much to go. The floral offerings were most lovely. The filled house of sad faces bespoke their love and sympathy for the deceased and her family.

Though we weep, we weep not those who have no hope, for we know she shall live again where no sorrow or pain will be known, and where God shall wipe all tears from every eye. She now rests from her labors and her works will follow her. The writer conducted the funeral services.

She leaves behind her loss of the immediate family: father, mother, one sister, Mrs. J. M. Loflin, of Enterprise, Ala., and three brothers, J. O., Lee and John Wiley. The last named has recently moved to Jupiter, Fla. All of these are faithful members of the Church of Christ.

Poultry Folk Show Fine Spirit of Co-Operation In Fairs of Next Month

Enterprise and Elba will stage a Poultry Show worth looking at in December according to interest already manifested by growers the past week. Miss James spent a day at Enterprise with Mr. W. O. Skipper visiting owners of poultry flocks around town and in the country. Every owner visited agreed to have from one to three on Exhibit December 8th and 9th. We are trying to get regular Poultry Exhibit Coops which will save exhibitors time, trouble and expense of constructing attractive display coops.

Mr. O. L. Skipper, City Councilman in charge of streets has given us permission to occupy the street for the show between the Farmers & Merchants National Bank and Saloom's store, facing the boll weevil monument. This will give the exhibitors a prominent location in the center of town where everybody coming to Enterprise will pass close by all poultry and hogs on exhibit.

Pig Club Boys Feeding Pigs For Pink of Condition.

We are delighted with the pep and enthusiasm that the boys are manifesting in their part of the show. The public will see the best exhibition of club pigs at both Enterprise and Elba that has been in the State this year. State Fair's not excepted, and the State Judges of the show can truthfully say that Coffee County boys not only play the best football of any county in the state but also take off first honors as producers of high class hogs. With the continued interest of the banks and business men in co-operation with the organized pig clubs of the county, Coffee will soon become the leading pork producing county in the state, and then our good friends, the banks and business interests of the county will see that love's labor in promoting these clubs and shows has not been lost.

Elba Prepares For School, Poultry and Hogs.

The Elba people who staged the best county poultry show in the state last December, are going one better this year by increasing their poultry and hog exhibits and by adding a county School Fair.

Arrangements for this show at Elba on December 10th and 11th, immediately following the two days show at Enterprise, are being made by the committee. The school fair will feature the show at Elba. Let's make these shows bigger and better by everybody talking them and taking part.

Coffee County Poor Houses

"The Poor You Have With You Always."

(By J. A. Carney)

(Continued from last week.)

On Nov. 9, 1859, the Court of County Commissioners, Judge Costello and Messrs. Al-berson, Watson, Brannen and Johnston, by regular order ap-provided a corn crib and smoke house. With small taxes, they had made more progress in one year in caring for the unfortun-ate than we have since with thousands of dollars in the pub-lic treasury.

In these early days distinc-tion was made in favor of old soldiers. We find that William Thomas, a pauper and old sold-ier, was permitted to stay out of the Poor House and on the ex-penses of the County kept in a private home.

John L. Wood, one of the County paupers, was insane. Attorney W. D. Roberts was em-ployed by the Court of coun-ties in recovering land belong-ing to said insane pauper. The pauper, the insane, and with contagious disease were a charge on the County in these early days.

Medical treatment and burial ex-penses were provided by the county for many outside of the Poor House. In 1860 as much as \$161.50 was paid to Dr. John W. Kennon for medical services rendered E. Herren. Dr. Wm. B. Colquitt was paid \$41.40 for medicines and medical services. Dr. John G. Moore was like-wise in employment and Dr. W. P. Wright as well as others. At this time Bullock was in Coffee County, and Dr. Colquitt lived at Bullock.

Again at the January term, 1861, the Poor House was let out to Isaac W. Fleming, he being the lowest bidder for another 12 months, his bid this year being \$7 per month for each pauper, and the Commis-sioners Court made another contract with him from Jan. 6, 1861 to Jan. 6, 1862. At this term the county Commissioners had been very pleasing to officials, as well as other interested parties. It is presumed that the court will be recessed on Wed-nesday on account of Thanksgiv-ing. Criminal cases will be called for trial on next Mon-day and a full docket is ahead for the following are the grand ju-rors for the term:

Home Demonstration Work in Coffee County

By Miss Grace James

In co-operation with the State Extension Service Special Agent, Mr. Trollope of Auburn, Mr. Arnold and I visit-ing several communities last week in interest of the two ap-proaching poultry and hog shows. In three communities Mr. Trollope gave splendid cul-ling demonstrations which were attended by two hundred or more people interested in poultry work. One demonstration was held at the home of Mr. Henry Martin of the Coun-ty Line community, another at Mrs. W. J. Dubose and the 3rd at Mrs. H. I. Boland's home. Much interest was manifested in Mr. Trollope's discussion of poultry-raising as well as his demonstrations in culling out the unprofitable boarding hens.

Women And Men Interested In Show at Enterprise Dec. 8-9 And Elba Dec. 10-11th.

With Mr. W. O. Skipper of Enterprise we have visited prac-tically all the growers of good poultry in this section of the county. A great display of good chickens will certainly be on hand at Enterprise, and the business interests are giving wholehearted support to this project.

Coffee County Baptists Have Great Plans For Meetings All Next Week

Beginning next Sunday with four great Fifth Sunday meet-ings, the Baptists of Coffee County will have a great time in a week of Church-to-Church visitation. The plan is to have a whole day of services at every Church in the Association. There will be teams of strong speakers to be at each of the Churches to carry out the planned program. This whole project is being carried out under the direction of the Executive Committee of the Association because the Association so instructed the Com-mittee. Following are the dates and places to be visited:

Sunday, Nov. 29th—New Home, Clintonville, Zion Chapel and Curtis. Monday, Nov. 30th—White Water, Victoria, Hebron and Bluff Springs. Tuesday, Dec. 1st—Dorcas, Mt. Zion, Eden and New Hope. Wednesday, Dec. 2nd—New Haven, Mt. Olive, Kinston and Bradshaw. Thursday, Dec. 3rd—Bethany, Calvary, Damas-cus and Goodman. Friday, 4th—County Line, Mt. Pleasant, Woodland Grove and New Brockton. (It will be noted that Cool Springs is left out and a special Committee will visit these fine people on a Sunday some time a little later.)

This is the second effort at the Church-to-Church visitation and all the leaders of the Association feel that it will be the very best piece of work that has been done among the Churches. The one last year accomplished great things.

The subject for general discus-sion by all the speakers will be: "The New Testament Church." Each speaker will dis-cuss a special phase of this gen-eral subject. These discus-sions will be led by the strongest speakers in our Association and should result in a blessing to all who attend.

All the meetings will open at ten in the morning and last until three in the afternoon, dinner being served on the ground at the noon hour.
